Information for Competitors

1. The championship will be conducted in seven (7) age groups: 12, 13, 14, 15, 16, 17 & 18+. Ages are based on age turned in current year. Competitors must compete in this age group for the entire carnival.

Ages	Junior	12 – 14 years
	Senior	15 – 18 + years

2. If competitors are in a track and field event at the same time, they must report to the field official to register and then take part in the track event. After the track event, competitors must report back to the field official within 5 minutes of the completion of their race. High jump competitors must start at the current height of the bar. The bar will not be lowered. Competitors will not be allowed to resume if the event is finished and has been closed by the referee.

3. 1500m will be run in combined ages for 12 & 13 years, 15 & 16 years and 17 & 18 years. 14 years will be run in their own race.

4. All rules are as per Athletics NSW.

5. All protests must be submitted to either the Track or Field Referee in writing within 15 minutes of the event's completion. Protests may only be submitted by the Team Manager. The Referee's decision is final.

6. Starts – The 'One Start Rule' will be used i.e. any competitor making a false start shall be warned. Only one false start per race shall be allowed with the disqualification of the next athlete making the false start.

7. Three attempts only for field events (except High Jump).

8. All students must wear a shoe on each foot when competing.

9. Selection into the CASA Secondary Athletics Team to compete in the AICES Carnival (Tuesday, 10 September, 2024) will be decided by the best times/distances on the day. The top 3 in track and top 2 in field will progress to AICES. Relays - 2 relay teams per event.

10. Students who miss the CASA carnival due to representing their school at a higher level of representation in another sport, can also nominate to have their times/distances considered. These must be submitted by 9:00am on the morning of the CASA Carnival. This will mean that a top 2 finisher at CASA may be knocked out by a student who is representing their school at a higher level on that day.

11. Students who do not wish to be considered for selection into the CASA representative team must notify the convenor **BEFORE** the end of the CASA Athletics Carnival.
