4. Players are ranked in order of ability (Player 1 – 4 in girls and then boys numbered 5 – 8) and can only move down one spot when substitutes are used during the competition.
5. Players umpire themselves and play one singles & one doubles match per round.
6. The Court Supervisor (Team Manager) records the scores from each set e.g. 24 – 15 on the
7. Score Card circling the winner of each set for that round.
8. Teams score 1 point for each set win that are tallied up throughout the round robin. If teams are tied on the sets then the team which won more sets in their round robin match finishes higher. If it is still a tie,
9. then the team that won the most individual points in each set from that round finishes higher.
10. No Finals. Point score determines winner. If equal first, – joint winners.

RULES OF COMPETITION

1. To begin, players do paper, scissors, rock and the winner chooses to serve or receive.
2. First and second serves to be a drop bounce hit over the net, across the court into the service box, with the receiver allowing the ball to bounce once before returning. If the ball lands outside the receiver's service box or it goes into the net it is a 'fault' and the player serves again. If the player serves a fault on the second serve it is the opponents point.
3. If the ball touches the net on the way over and lands in the receiver's service box it is called a 'let' and the player serves again.
4. If the ball bounces twice or the player hits the ball out or into the net it is the opponents point.

5. Players cannot reach over the net or touch the net during a rally otherwise it is the opponents point.
6. **Student serves for 2 points each then change ends every 10 points.**
7. Unsportsmanlike behaviour such as deliberately wasting time, dangerous play or abusive language needs to be reported to the Court Supervisor who will then penalise the player by forfeiting the set.
8. When the siren sounds to end the match, players finish the rally then shake hands and sit down on their court.
9. If a set is tied at the end of the allocated time players then play next point wins to decide who wins the set.
